CDF 2025 PROPOSED COMMUNITY PROJECT KABWE CENTRAL CONSTITUENCY

17	Additional Roads Funding for roads	ALL	Transport	Approved
18	Additional funding for Njanii Market structure	NJANI	Commerce and Trade	Approved
19	Additional funding for Kasanda Market	Justin Kabwe	Commerce and Trade	Approved
20	Proposed Construction of a 1x4 Classroom block (CRB) at Mpima Dairy School	Mpima	Education	Not approved because the ward already got an allocation for one project, hence under the principal of equity, resources had to be evenly distributed to cater for all projects
21	Proposed Completion of a 1x2 Science Laboratory at Mine Secondary School	Justine Kabwe	Education	Not approved due to Insufficient funds to cater for all projects and priority was given to projects with wider community benefit or urgent needs
22	Proposed Construction of a 1x3 Classroom block (CRB) at Kabwe Trust Primary School	Luangwa	Education	Not approved due to Insufficient funds to cater for all projects
23	Proposed Completion of the double storey classroom block at Family Future Community School	Lukanga	Education	Not approved due to Insufficient funds to cater for all projects

CDF 2025 PROPOSED COMMUNITY PROJECT KABWE CENTRAL CONSTITUENCY

24	Proposed Construction of an Ablution block at Gombe Secondary School	Waya	Education	Not approved as Waya ward had a project under educational sector which was approved, since resources had to be evenly distributed in all the 14 wards.
25	Proposed Construction of an Ablution block at Kakama Primary School	Kalonga	Education	A project was already approved under this ward, and for equity sake, other wards had to be considered
26	Proposed Construction of an Ablution block at Kamushanga Market shelter	Kalonga	Water and Sanitation	Kalonga has had a one or two projects approved ,hence the need to consider other wards amongst the 14.
27	Supply and installation of a Micro Burn Unit at Nakoli Clinic	Nakoli	Health	Not approved due to Insufficient funds and furthermore, CDF prioritizes primary health care needs like OPD,Maternity annexes and no records showed a high incidence of burn cases in the catchment area
28	Completion of Chindwin barrack school wall fence	KAPUTULA	Education	Not approved due to Insufficient funds and furthermore, the need is not priority compared to other needs, as the school is next to a defense unit that currently provides security.
29	Procurement of equipment for Katondo Maternity Annex	Katondo	Health	Not approved as the ward was already considered for a project under the educational sector

CDF 2025 PROPOSED COMMUNITY PROJECT KABWE CENTRAL CONSTITUENCY

30	Procurement of equipment for Magandanyama Maternity Annex and laboratory	David Ramusho	Health	Not approved due to Insufficient funds to cater for all projects
31	Procurement of equipment for Mpima Maternity Annex	Mpima	Health	Not approved as another project under the health sector was already approved in this ward
32	Procurement of equipment for Kamakuti Maternity Annex	Waya	Health	Not approved due to Insufficient funds to cater for all projects -There was no needs assessment report from the department of Health and usage data to justify the equipment requested
33	Proposed Construction of a 1x4 Classroom block (CRB) at David Ramusho Secondary School	David Ramusho	Education	Not approved due to Insufficient funds and also this ward has a project approved already ,hence the need to consider other wards
